

Alumni,

It was a bit wet thanks to Hurricane Matthew, but it was great to catch up with some of the NROTC Alumni at the annual reunion 7 and 8 October. The Unit of Midshipmen is still doing great work (and still cleaning the stadium) and the Navy's Future is in good hands.

If you'd like to learn more about what went on, visit one or both of our Facebook pages. One is a bit more formal for official news and information ([UNC Chapel Hill NROTC Alumni Association](#)). The [UNC NROTC Alumni Connections](#) page is less formal for connecting and sharing information with your old friends and classmates.

Coming up early next year is a panel discussion where the Midshipmen would get the opportunity to ask questions/seek insights from a panel of Alumni. If you are interested, shoot Pat Connelly an email at [flierpat@yahoo.com](mailto:flierpat@yahoo.com).

The Board of Directors would like an independent audit of our finances to insure transparency and accuracy. If you have financial audit/CPA experience and would be interested contact Will Stubbs at [willstubbs@cox.net](mailto:willstubbs@cox.net).
